

Bond without Boundary

跨域連結 未來無限

Bond with Sustainability.

Bond with Productivity. Bond with Creativity.

By running through 3 core capabilities, we promise you
a partnership that brings development to infinity and beyond.

結合永續力、整合生產力、聚合創造力，連結三大競爭力，與客戶共創材料開發的無限可能。

3# Core Capabilities

10+ Certificates

7+ Global Footprint

As a leading performance textile supplier, Tiong Liong Corporation (TLC) has been offering performance fabrics for nearly 50 years by means of eco-friendly process and smart manufacturing. Thanks to the seamless integration of design, R&D and production, our supply chain is more sustainable than ever.

We are proud to support your business through a variety of core technologies, including weaving, dyeing and finishing, functional treatment, coating, and lamination. In response to the market needs, we expand our manufacturing capacity to China and Vietnam, providing faster and more agile localized production.

More than an ordinary textile supplier, we not only manage our own branding textiles, but also collaborate with globally renowned materials, benefitting customers around the world with diverse textile selections and streamlined services.

中良工業股份有限公司(TLC) 是擁有豐富經驗的機能性紡織品供應商。近五十年致力發展對環境友善的加工技術，以環保和智慧生產為核心基礎，透過內部設計研發和外部資源整合，串起生生不息的永續供應鏈。

為了提供更靈活快速的服務，我們以穩健的步伐從台灣邁向全球，在中國大陸及越南設有紡織布料工廠，提供織造、染整、後處理加工、功能性塗佈與貼合等核心技術，和代理國際特殊材料、經營自有品牌，讓世界各地的客戶都能享一貫化服務以及更多元的材料選擇。
